MEMORANDUM FOR THE DEPUTY DIRECTOR (ADMINISTRATION)

25X1A

SUBJECT: [REDACTED]

25X1A

1. As you know, [REDACTED] who has been one of my chief advisers in the past months, will be compelled by the state of his health to return to his home in Durham, North Carolina.

25X1A

25X1A

2. It seems probable at this time that [REDACTED] can continue to give us the benefit of his knowledge and experience at home to substantially the same extent as when he is physically present at the office. I therefore plan to call on him for advice, critiques of estimates, comments on special problems in his field, and possibly special reports much in the same manner as I would had he remained in the office. I am informed by the Assistant Director, Office of Research and Reports, that he will continue to consult with [REDACTED] particularly in the planning aspects of the work of his office.

25X1A

3. I therefore request that appropriate arrangements be made to compensate [REDACTED] adequately for the continuance of his services and recommend that since the contemplated services parallel those rendered in the past, the compensation be equivalent to that of the staff position which he has surrendered.
